

Whirlpool Hood AKR559/3IX

Basic information

Producer: WHIRLPOOL
Vendor Code: AKR559/3IX
EAN Code: 8003437233210
External warranty: 2 years

Parameters

Construction: built-in
Construction: chimney
Color: inox
min. efficiency: 145 m3/h
max efficiency: 430 m3/h
Noise: 65 dB
offensive mode: no
Lighting: LED
Control: buttons
No. of speeds: 3
Remote Control: No
Timer: No
Width: 90 cm
Height with chimney pipe: 115 cm
Depth: 45 cm
Weight: 18.3 kg
Other features:

Description

Hood AKR559/3IX

Three working speeds

Three different speeds give full control over the operation of the device.

Anty fat filter

Metal, aluminum or faceline is a permanent equipment for all hoods, and its main task is to collect particles of fat or other impurities. In contrast to the filters, which should be replaced once every two or three months, metal filters are enough to wash thoroughly from time to time. Composed of many layers of metal mesh with high durability, they are easy to dismantle and thanks to the appropriate size, are suitable for washing in a dishwasher.

LED lighting

The best type of hood lighting. Maximum performance and quality.
